

# The 2014 Physician's Round Table conference

## Accentuating the "heal" in health

Please join us for the 6<sup>th</sup> year of quality conferences for clinicians and other healthcare professionals. We have again put together a conference that will benefit each attendee and exhibitor. Productive exchange of information, peer networking, and the **best** in products/services are the core of the conference. It's never about money since we donate profits for furthering science.

### Reasons to join us as an attendee and/or exhibitor:

Highly educational	Pleasant, green surroundings	Relaxed atmosphere
Outstanding staff	Extremely easy on your budget	Great place for family vacation
Networking opportunities	Interaction with experts	Hands-on with exhibitors
CME presentation	Distinguished speakers	Hand selected products
Gordon-style conference	Invaluable Resources	Vital info for next clinic day
New/innovative products	Valuable services	New prospects
Strengthen relationships	New product ideas	International resources
Global exhibits	Evidenced-based research	Relevant clinical material
