To Whom It May Concern:

This letter is to inform you that all patients who are seen at BioDesign Wellness for mold exposure and/or CIRS are provided with a medical evaluation by Winston T. Cope, MD.

Dr Cope accepts medical responsibility for the ongoing care of these patients and is responsible for all medical decisions for all of these patients undergoing treatment for mold exposure and/or CIRS.

Respectfully,

A handwritten signature in black ink, appearing to read "Winston T. Cope", written in a cursive style.

Dr. Winston Cope M.D.
